[Intro — Dark electronic beat, distorted guitar, spoken male voice]

You know my name?

They call me the Blizzard.

But you don't know what made me cold.

Let's burn this fucking world.

[Verse 1 — Aggressive male rap]

Raised in the streets, where the weak disappear

One hand on the trigger, never showing fear

No friends, no mercy, no tears to show

Except for one little girl I called my home

Christine was the reason I stayed alive

Kept her safe, kept her dreams alive

Then one night, while I was away

They took my world and burned it away

I ran through the flames, I screamed her name

But nothing could ever undo that pain

My left side burning, my blood running cold

I came for revenge, not to save my soul

One by one, I brought them down

Left their whole fucking empire on the ground

They called me a monster, a man without a heart

They never knew I was already torn apart!

[Pre-Chorus — Rising guitars, shouted vocals]

I HAD NOTHING LEFT!

I HAD NO REASON TO BREATHE!

THEN HE OFFERED ME A PROMISE...

AND I WAS TOO BROKEN TO LEAVE!

[Chorus — Explosive gang vocals, heavy guitars]

I'M THE BLIZZARD! I BRING THE COLD!

A BROKEN MAN WITH A HEART OF STONE!

YOU CAN BURN ME! YOU CAN BREAK ME!

I'LL RISE FROM THE ASHES YOU LEFT BEHIND!

I'M THE PHOENIX! I'M STILL ALIVE!

THREE FLAMES BURNING DEEP INSIDE!

YOU TOOK MY WORLD, YOU TOOK MY HOME!

BUT YOU WILL NEVER TAKE MY SOUL!

[Verse 2 — Rap-rock, heavier beat]

Red flame! Let the enemies fall!

Blue flame! I can answer the call!

White flame! When the final breath is gone!

I'll rise again and carry on!

But don't mistake this for a happy ending

Some wounds never heal, some scars keep bleeding

I made a deal with the devil himself

But what came back wasn't the girl I held

I wanted my sister, my family, my past

But some things break and they break too fast

Now I stand where the innocent fall

The coldest man will protect them all

I'm not your hero, I'm not your saint

I'm just a man with a lifetime of pain

And if the darkness comes for those I defend

I'll make it regret ever coming again!

[Chorus — Full band, gang vocals]

I'M THE BLIZZARD! I BRING THE COLD!

A BROKEN MAN WITH A HEART OF STONE!

YOU CAN BURN ME! YOU CAN BREAK ME!

I'LL RISE FROM THE ASHES YOU LEFT BEHIND!

I'M THE PHOENIX! I'M STILL ALIVE!

THREE FLAMES BURNING DEEP INSIDE!

YOU TOOK MY WORLD, YOU TOOK MY HOME!

BUT YOU WILL NEVER TAKE MY SOUL!

[Bridge — Half-time breakdown, deep spoken voice]

They say the Phoenix always rises...

But nobody asks what it leaves behind.

[Whispered, then building]

I still remember...

The fire.

The screams.

Her name.

[Explosive breakdown — Shouted vocals]

NO MORE RUNNING!

NO MORE HIDING!

NO MORE WATCHING INNOCENTS DIE!

LET THE WORLD FREEZE!

LET THE FIRE RISE!

I'LL STAND MY GROUND UNTIL THE END OF TIME!

[Final Chorus — Massive guitars, layered male vocals]

I'M THE BLIZZARD! I BRING THE COLD!

BUT THERE'S A FIRE THEY'LL NEVER CONTROL!

YOU CAN BURN ME! YOU CAN BREAK ME!

I'LL RISE FROM THE ASHES YOU LEFT BEHIND!

I'M THE PHOENIX! I'M STILL ALIVE!

NOT FOR REVENGE, BUT TO PROTECT THEIR LIVES!

YOU TOOK MY WORLD, YOU TOOK MY HOME!

BUT YOU WILL NEVER TAKE MY SOUL!

[Outro — Distorted guitar fading, low spoken voice]

The Blizzard never forgets.

The Phoenix never stays dead.

[End]
