[Intro — Deep, menacing whisper]

The world is breaking…

The earth is splitting…

You wanted war?

Then bear its weight!

[Verse 1]

I walked through the cold, I slept through the night,

I prayed to the void when the world left me behind.

I reached for a hand, but grasped nothing at all,

So I made my vow: I won't let go again!

Every face is carved into my memory,

Every grave adds weight to my history.

Raise your weapons, call upon your gods…

Who will save you when I close my eyes?

[Pre-Chorus — Building intensity]

One step… the ground is breaking!

One breath… the heavens are shaking!

Can you hear your bones collide?

The world itself will judge you tonight!

[Chorus — Explosive screams]

FALL! BENEATH THE WEIGHT OF THE WORLD!

BOW! LET THE EARTH CONSUME YOU WHOLE!

I AM THE FORCE THAT DRIVES YOU TO YOUR KNEES!

THE TWILIGHT RISES — NOW YOU'LL BLEED!

SCREAM! BUT THE SKY WON'T ANSWER YOU!
RUN! THERE'S NOWHERE LEFT TO MOVE!
AS LONG AS I STAND, I WON'T LET THEM FALL!
BUT IF I LET GO… THEN WE LOSE IT ALL!

[Verse 2 — Faster, more aggressive]

I never craved blood, I despise the glory,
I've paid the price of too many victories.
Don't mistake my laughter for weakness or fear,
Beneath this old hat, a storm lies near!

I've watched hope die between my hands,
Seen love become a cruel final command.
I'm no hero, no executioner…
One word from me, and you'll sink forever!

[Final Chorus — Explosive screams]

FALL! BENEATH THE WEIGHT OF THE WORLD!
BOW! LET THE EARTH CONSUME YOU WHOLE!
I AM THE FORCE THAT DRIVES YOU TO YOUR KNEES!
THE TWILIGHT RISES — NOW YOU'LL BLEED!

SCREAM! BUT THE SKY WON'T ANSWER YOU!
RUN! THERE'S NOWHERE LEFT TO MOVE!
AS LONG AS I STAND, I WON'T LET THEM FALL!
BUT IF I LET GO… THEN WE LOSE IT ALL!

[Breakdown — Heavy riffs, shouted

[End]
